Report Fraud

WORKERS' COMPENSATION INSURANCE FRAUD COSTS MILLIONS* OF DOLLARS FROM THE WORKERS' COMPENSATION INDUSTRY AND ITS POLICYHOLDERS EVERY YEAR.

Examples of Workers' Compensation Fraud:

- A claim made for an injury sustained someplace other than at work.
- An employee collecting wage payments while working at another job.
- Falsely reporting payroll figures to reduce premium.
- Physicians billing for services not rendered.
- An injured worker receives a call from an unknown party who offers free medical services.
