

# Unlock More Flexibility with CompWest's New Tiered Paper Strategy

CompWest is enhancing the underwriting experience with expanded capabilities that deliver stronger pricing and seamless access to multiple insurance papers through one trusted carrier.

Your CompWest underwriter will evaluate the risk and assign it to one of the following tiered papers:

## CompWest Insurance Company

A conservative option designed for risks needing additional rate support.

## Accident Fund Insurance Company of America

Reliable, competitive pricing for accounts with standard risk characteristics.

## Star Insurance Company

Preferred pricing for best-in-class risks over \$50K in premium.

**More tiers mean more opportunities to win and retain business!**

CompWest Provides All Policyholders the following services as part of their program:

- TeleCompCare® – Instant claim reporting and virtual medical appointments available
- Claims Texting – Translation and communications to enhance the claims process
- In-House Claims, Loss Control and Premium Audit Services
